

KIONIAN

1966

FORWARD

In presenting this, the 1966 edition of the "Kionion",
the annual staff sincerely wishes that, as you look through
these pages, you will remember the wonderful friendships,
joys, and activities you encountered in your years at White
Pass High School.

*In
Memory
Of
Edward
White*

With his cheery smile, and
wave of his hand,
He's wandered into an unknown
land.
We cannot and we will not say,
"He's dead."
For he's just gone away . . .

DEDICATION

We, the 1966 Annual Staff, would like to dedicate this Annual to the boys who are fighting for our country in the Armed Forces.

Class History

Freshman Year

In the fall of 1962 fifty seven typical freshman nervously wandered aimlessly around the campus of White Pass, hopelessly lost and embarrassed because of walking in too long classrooms. We soon discovered to our dismay, we had no class officers. In view of this we held an election. After the votes were tallied Dick Anderson, was President, Tami Bowen, Vice President, Donna Blasberg, Treasurer Paula Pratt, Sec., Dan Bruey, S.C.R., and Les Cavenin Sgt. at Arms, our advisors were Mrs. Anderson, and Mr. Blasdell. Soon we were initiated in high school life and before we knew it the time came for Homecoming, Kathy Kaplan was our candidate Corki Ball and Dan Bruey our court mates for the Sweethearts Ball. Karen Johnson was chosen to run for Queen of the Farmers Ball. We took our first year in high school very interesting and fun and we all were looking forward to our next year.

Sophomore Year

Day 4th of our class reported to the 1 month hall of White Pass in the fall of 63. It could be different this year, I thought, for it last we felt we knew our way around. Our class progressed under the wise leadership of Sean Pratt, Class Pres., Lt. Rod Meade became Vice President, Donna Blasberg, Treasurer Tami Bowen, Sec., Ann Boren S.C.R., and I - Scott Sgt. at Arms. Our advisors were Mrs. Anderson, Mrs. J. Livingston and Mr. Blasdell. Susan Latimer was our candidate for homecoming Queen. To our joy Shavyn Huglin and Dick Anderson were elected King and Queen of the Sweethearts Ball. Our boy court mates, Our committee for the Booster Club carnival was led by Mr. McLean. Several members of our class were initiated into 1000 Society. They were Tami Bowen, Ann Boren, Olivia Babbitt, Sonja Pratt, Rod Meade, Dick Anderson, and Karen Johnson. The highlight of the Sophomore year was a Sophomore Prom. Our queen was Dorothy's Pad. Music was furnished by the Titans and Willie Washington. The dance was a great hit with all those who attended.

JUNIOR YEAR

A new At the start of the school year, same faces greet the new 1964 school year with promises of a great year to us. Tom Meade led our class that year, Maureen Kelly was vice President, again Anna Borenly was our class treasurer. Ann Borenly is always busy at the meetings either 10 minutes or 1 hour away she is removed as at the meeting that a visit to the hospital still taught. Our advisors Mrs. Anderson and Mr. Van West, we all appreciated the work they had done to help us progress. As the year sped by, Dick Anderson was elected Vice President of the Student Body. Ann Borenly as Secretary, Business having us out of our class, Sean Pratt, Tom Anderson, and Scotty. Corki Ball and Craig Springer were our Junior Year Society. Sean Pratt, the Corki Ball helped the football team on to victory, as members of the faculty. Host the football, as a committee and a team. Our candidate for homecoming Queen was Nancy Bokel, Lt. Rich Meade, Vicki Boren represented our class for the Sweethearts Ball. An all Junior team made up the contestants, Lt. Lt. Rod Meade, Craig Springer, Eddie McMahen, Ann Boren, Sonja Pratt, Jan Brown, Carol May, Olivia Babbitt. They all had excellent records. Our class participated in One Act plays this year in the gymnasium. Our junior Prom theme was "In the Misty Moonlight". and music was provided by Willie Washington and his string band. It was a beautiful time. Dan Bruey and Corki Ball were chosen King and Queen of the Junior Prom. Our boys were active in all sports. Jack Sappenhoff and Craig Springer were honored with all-conference in football. Dick Anderson

SENIOR YEAR

Quickly and fly away our Senior Class of 65 started their entry into the hallowed halls of White Pass High School, we were a bit nervous to seniors, but again said at the fact of not being able to return with our friends guaranteed. Our officers this year were Lt. Dan Bruey President, Corki Ball, Secretary Cathy Sanders, Treasurer Maureen Kelly, S.C.R. Eddie McMahen and Jack Sappenhoff Lt. S.A.A. Mrs. Anderson is our faithful and loving advisor again this year. Thanks to Mrs. Anderson and Mr. Jones's expert guidance our Senior year went smoothly. Dick Anderson once again our class as President of the Student Body, Cathy Sanders as treasurer, and Ann Boren was Secretary. We're sure that the highlight of Shavyn Huglin's Senior Year was being elected by the Fellowship Club as their outstanding leader. Jack Sappenhoff and Vicki Borenly were our candidates for the Sweethearts Ball. Lt. Lt. Sanders ran for PTA Carroll Queen. Our traditional Banquet was edited by Susan Latimer, who did a wonderful job. With the help of art staff, the committee made it as gaudy victorious this year. The Senior members were Maureen Kelly, Cathy Sanders, Olivia Babbitt, Ann Boren, Rod Meade and Craig Springer. Olivia Babbitt, editor of the school newspaper the Cowlick Echo, All-conference football stars this year were Dan Bruey, Jack Sappenhoff and Craig Springer. Dick Anderson was honored with All-conference First Team Basketball. Summertime was the theme of our Senior Ball, and the dance was quite lovely. We all enjoyed our Senior trip to Victoria B.C. Thusly our four happy years at White Pass ended, and we started a new chapter in our life.

Prophecy

A week away from our office jobs in Seattle was looked forward to by SUSAN LATIMER and me, CORKI BALL. Our first stop would be at the Puyallup Drag Strip. We always did have some great racers in our graduating class & hoped we might see some of our now, famous friends.

Saturday came & we called up our friendly "air flight Service" in hopes of renting a helicopter. Sure enough at ten o'clock the bird landed (on the peak of our A-1 frame house) & a good old friend climbed out. It was GARY SHOUSHI, & we were surely glad to see him. Gary mentioned KENNY WARREN, who was to be his co-pilot but had to stay home to help his wife with their sick twins. We then rushed so we would be in time for the big race.

Climbing in & going into the air with a burst of speed, Gary complained of the extra weight he felt on his pedals. We peeked out the window & there was a little foreign plane hooked on our television aerial. Another peek & we realized it was another classmate of '66 CLYDE MARLLE. After noticing as he approached him, it & started communicating to us through the radio. Clyde is now the father of six & a Good Will Ambassador to Red China. He told us also of his employer, the Secretary of State, DICK ANDERSON. Dick is still a bachelor & seems to be the life of the party, excuse me, I mean cabinet. Also at the White House is LINDA MOSMAN, an interior decorator.

Saying good-bye to Clyde, Gary informed us of his gambling partner, RON ROBERTS and his new job. Ron owns a chain of Sateway stores in Los Angeles, California. The boys get together every Friday night to challenge any other team & in case of a defeat Ronnie brings along the rotten fruit his stores can't sell. Yes, memory tells us that he always was a sore loser.

At 1:30 the grandstands were packed with people who all had the same thought "Will she do it? Can she win?" In her excitement, Susan reached over to get my attention. She had noticed a tall boy standing near the famous woman racer's car, & kicking the front tire. It was RON McCULLOUGH who had been hired by JUDIE McMAHAN as a private mechanic.

Well, the race was on and while the cars went out of sight, the entertainment was a small band managed by a lady. Why, it was TAMMI BOWEN. The band played on & with a swift jerk of the head she fell on the ground as if she had suddenly dropped something. Sure enough Tammi had lost her contact' KAREN JOHNSON, playing the clarinet, made the successful move of finding the dark brown contact in the dark brown mud. By this time, DR. CRAIG SPRINGER arrived at the scene. It took Karen & Tammi while to convince him that everything was all right. Craig was always very efficient & he ordered his secretary, MISS DIANNE GORDON, to type it & be efficient, of course! After Tammi & her band finished the well known "Flyers Long" the race was back into sight. Coming over the finish line for first place, Jacee won the trophy. WARREN SIETSON, the Blue Helmet kid, took the good sportsmanship award. After the show, Gary, Susan, & I headed down to talk to the winners. Jacee told us the whereabouts of some of our old buddies. It is said that C. R. BRAUDY was in the Peace Corp & stationed in North Africa. His cousin DAN BRADY, also in the Peace Corp, was stationed in South America.

Warren informed us of WLS HAVILAND, who was the owner of the new Apartment Building in Rendle. His bookkeeper was SANDY BURRIS. Another big owner was RICK HERALD, who owned the "Drink A Lot" Cocktail Lounge. His first class entertainment was the World's newest screen star, LYNN McLAUCHIN with her dancing performance. Saying goodbye we left the drag strip to fly to Butte, Montana, where we filled up on fuel. After unloading, we wandered into the terminal & there at a table eating dinner

sat PAT KAPLAN & NANCY BIKINSKI. The girls were stewardesses & would be flying to Paris in fifteen minutes. In France they would join up with their fellow stewardess CATHI SANDERS. Talking over old times & classmates we found out that MOURLEN KELLY was a successful Lab Technician in New York & SHERRI BRIDGES was a Dental Assistant in Miami, Florida. GARNET ALLEN was now living with her husband & 3 kids in New Orleans, Louisiana, writing books of her childhood. Another classmate, MRS. WATKINS, was the wife of a great explorer & making her home in the Arctic Circle. YVONNE BURTON was television's new Exercise Lady. CONNIE HAMPTON her Assistant.

Our next stop was at Las Vegas, Nevada. Strolling along the streets we caught a glimpse of a sign over a night club. It read- 'WILLIAMS, MCKEE, & HUNT, Inc.' Could this be LARAY, SHARON, & PHYLLIS? Running a night club? We walked in & after several tips to the waiters we were allowed to see the bosses. Sure enough, the trio, sat quite content in pure luxury. Over a drink we reminisced old times. DAWN AMONDSON was one of their employees who decorates and paints the scenery for the entertainment. They told us that KAREN ULMER was there in town trying to ruin the girls' business by taking their trade. She was doing quite well. PATSY MOTTE, in North Carolina, was now a Professor of Science & happily married. After the girls heard we were in Las Vegas to enjoy ourselves they mentioned the National Beauty Contest to be held downtown that night. There were 49 glamorous girls but when the 50th strolled on our mouths dropped open in surprise. It was Miss Washington, our SHIRLEY HERAUT, extremely beautiful! After the show we rushed backstage to find Shirley's Campaign Manager to be MARLINE PIETS, who is happily married to a captain in the Air Force. She travels with Shirley. Other travelers with the celebrity were her two favorite beauticians. Best in the Union is SHARON HUGH & CATHY EMORY. Her private chaufer was JACK SAPPENFIELD. He's also a fabulous Mechanic. Fabulously rich, that is! The next few days were well spent & we found on vacation, too, OLIVIA BABBETT & ANN BOREN. Both were actresses from Hollywood & had decided to come to try their luck with gambling. The girls would co-star in the new moon show - 'Rocky Surface of Love.' The male lead would be played by ROD MEADE, who had adopted the nickname "Lover Boy."

Our next stop was at Houston, Texas, since none of us had been there. We had hardly rented our hotel rooms when a loud knock on the door startled us. It was PAUL LAGREIST & STEVE MULINS. They had seen us coming in & insisted on us going to stay the night at their ranch. It was the biggest place we'd ever seen & they had the most highly priced horses in the land. When we asked how they got their start, Paul explained to us that DON ARIZONO, a great basketball player, inherited the money & loaned it to them.

Towards home we stopped again in New Mexico for fuel. LEON LOSTER was the manager of the Airport & looked quite well. He was a family man & the father of 4. During our long talk, Leon told us of a few more classmates. BILL PIPKIN has now joined the Betty Crocker Company & was a big success with all the big eaters, who love good cakes, I might add. Another classmate, BILL SANDERS, was a short story writer & making his 2nd Million. The only politician was JOANNA BLAKELY, running for the V. Presidency next election. LES COLEMAN was known as the country's most feared FBI man.

We have memories of our trip, but needless to say, we must travel homeward bound. Gary to his Airflight Service, Susan to her Secretary job at Boeing, & I, Corki Ball will go back to my job as a bookkeeper for Sears, Roebuck, & Company.
